

Become a Business Partner Today!

Pleasant Bay Community Boating (PBCB) invites you to join our *Business Partner Program*, a mutually beneficial partnership that supports your business, and PBCB's mission. Your partnership provides much needed support as we continue to grow and serve the community in many ways.

In 2025, thousands of individuals of all ages and levels enjoyed programming at PBCB. We expanded our adaptive boating program, distributed more than \$30,000 in scholarships, welcomed nearly 800 local students grade 3 through 10 for field trips – both on the *Friend* for science lessons, and for our First Sail Program designed for 3rd graders.

We also offered vital community outreach programs, such as Adaptive experiences, Blind and Visually Impaired sailing, on-the-water excursions for other nonprofit groups, trips on the floating classroom *Friend*, and nine community Speaker Series events. Your support enables us to reach diverse populations and foster inclusivity in our boating community.

We value your partnership and look forward to offering you annual marketing benefits, event benefits and more.

Please fill out the Agreement in this packet and return to my attention. You can send a check or pay online through our website by scanning the QR code:
