

Our mission is to make boating, marine education and environmental stewardship affordable and accessible for all.

History: 2003–Present

In 2003, PBCB began by operating out of a pick-up truck on a Pleasant Bay public beach. In 2014, we acquired waterfront property on the Bay that included a dock, a boathouse, four buildings, and 750 feet of beach frontage. Since then, we have expanded our mission to include marine education and environmental stewardship and are able to deliver a wide variety of programs.
